

Introduction to Emotional, Structural and Physiological Solutions (ESPS)

Dr. Green has treated some of the most complex cases from around the country for more than 20 years. Participants will gain tremendous insight to how he has managed these patients and helped them achieve optimum health and well being. This is the perfect opportunity for those practitioners looking to expand their patient bases. Upon completion of this class you should feel more comfortable tackling more difficult cases.

This class will introduce the participants to a comprehensive system for analysis and treatment of potentially complex health conditions.

Topics that will be included:

- Utilizing multiple health systems to formulate a differential diagnosis
- Analyzing emotional components of a patient's condition.
- When and how to treat complex patients.
- When and where to refer patients.
- Documentation issues.
- Avoiding malpractice pitfalls.
- Question and answer session.

Dr. Tim Green is one of our most sought after speakers. The participants who take his classes usually can't wait to take the next one. This class will be a sell-out please don't wait to register. If you have never heard him speak before be sure you register for this class.

About the Instructor

Dr. Tim Green graduated from Logan College of Chiropractic earning the Doctor of Chiropractic degree in 1998 and the Bachelor of Science in human biology in 1996. Post graduate work includes certification in Chinese herbology from the Kansas College of Oriental Medicine and diplomat status with the American Board of Chiropractic Acupuncture (ABCA) as well as becoming a Fellow of the American Society of Acupuncture. Dr. Green is also certified in dry needling through the American Institute of Dry Needling and is board qualified in thermography through the American Medical Infrared Academy. He served on the ABCA board for six years including terms as president and vice-president. He was also a member of the executive council of the Council of Chiropractic Acupuncture and Louisiana's alternate delegate for the American Chiropractic Association for 4 years. Dr. Green has practiced in Farmerville, LA for 20 years where he operates an integrated practice working with patients from all over the United States and several foreign countries.
